

COBDEN MINIATURE RAILWAY & MINI GOLF PARK EVACUATION PLAN

EVACUATION PROCEDURE

In the event of an emergency arising which creates the need for evacuation of the Miniature Railway Park there will be an announcement made –

- advising of the reason for and need to evacuate the Park;
- emphasising that there is no need for panic, but to proceed immediately to the Evacuation Site; and
- advising that the Evacuation Site is the Cobden Technical School carpark, and giving directions to ensure everyone is aware of where to go.

Members of the South Western Model Engineers and Cobden Rotary Club in attendance at the time of the incident will provide assistance to the public. The person in charge will be the most senior office-bearer of either Club i.e. President or Vice President.
