Further Information for group bookings due to COVID 19 Restrictions

As the organiser of your group when you arrive at the railway for your booking, you must first come and see the booking officer or station staff to let us know you are here, and;

1. Hand over the contact tracing sheet that has been prefilled by you.
2. Pay for your run and receive your tax invoice.
3. Receive wrist bands for the number of people in your group. All visitors must wear their wrist band whilst at the park. This allows us to ensure that it is only your group riding the trains or playing mini golf and that we will not breach the number of people we are allowed to have at the railway at any time.
4. When your guests have arrived and you are ready to start the run, let our station staff know and we will come and talk to your group re our rules and our COVID safe plan.
5. When your finishing time comes we request that you and your group leave the railway park as quickly and safely as possible to ensure our volunteers are able to follow our COVID safe cleaning of the park and the rules set out by the State and Federal Government.
